

### **6.5.1 INTERNAL QUALITY ASSURANCE CELL (IQAC)**

To improve the quality in the academic process and also as a pre accreditation exercise Internal Quality Assurance Cell (IQAC) was established in the academic year 2016-2017 at college. The objective of the cell is to develop a system for conscious, consistent and catalytic improvement in the overall performance of the institution at all levels with the involvement of all stakeholders.

#### **VISION OF IQAC**

The Inner Quality Confirmation Cell (IQAC) aims to foster continuous improvement and excellence in advanced education institutions by focusing on academic and regulatory cycles, staff development, and institutional viability. It aims to create a dynamic, responsive academic environment, promoting responsibility, transparency, and development.

#### **MISSION OF IQAC**

- To evolve as sustainable learning community resources and a leader in creating and disseminating knowledge.
- To establish and maintain partnerships with stakeholders for quality excellence.
- Support cultural and ethnic diversity in the student community.
- Academic excellence.

**Principal**

Sree Chaitanya Institute of Technological Sciences  
L.M.D. Colony, KARIMNAGAR (T.S)

**OBJECTIVES:**

The essential point of IQAC is

1. Development and utilization of value benchmarks/boundaries for different scholar and managerial exercises of the foundation.
2. Facilitating the production of a student driven climate helpful for quality schooling and exploration.
3. Arrangement for criticism reaction from understudies, guardians, and different partners on quality-related institutional cycles.
4. Dissemination of data on different quality boundaries of advanced education.
5. Organization of studios, courses on quality-related topics and advancement of value circles.

**FUNCTIONS:**

Advancing Quality Culture:

1. Encourage and advance a quality culture across the organization.
2. Urge partners to take responsibility for drives and cycles.

Creating and Applying Quality Benchmarks:

1. Create and keep up with quality benchmarks for different intellectual and authoritative exercises.
2. Work with the execution of these benchmarks in various divisions and capabilities.

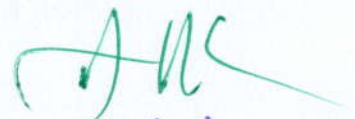

Working with the Formation of a Student Driven Climate:

1. Guarantee the foundation gives a student driven climate helpful for comprehensive turn of events.
2. Advance understudy input systems and use them for nonstop improvement.

Guaranteeing Constant Improvement:

1. Lay out instruments for ceaseless observing and assessment of scholarly and managerial cycles.
2. Execute criticism circles and improvement plans in light of appraisals and assessments.

Documentation and Quality Affirmation in Certification:

**Principal**

Sree Chaitanya Institute of Technological Sciences  
I.M.D. Colony, KAF : (R.T.S)

1. Get ready and present the essential records for license processes.
2. Work with the organization in getting ready for and going through authorization by outer offices.

### **ROLES AND RESPONSIBILITIES**

#### **Role of coordinator:**

1. The IQAC coordinator is responsible for creating and executing the institution's strategic plan for quality improvement, ensuring alignment with the academic community's objectives.
2. The coordinator manages quality assurance activities within the institution, including internal audits, academic reviews, and ensuring compliance with accreditation standards and regulatory requirements.
3. The IQAC coordinator analyzes academic performance, student feedback, and quality indicators to create comprehensive reports for stakeholders, identifying strengths and areas for improvement.
4. The coordinator organizes workshops and training sessions for faculty and staff to foster a culture of quality consciousness, enhancing awareness and skills related to quality assurance and improvement processes.
5. The IQAC coordinator leads continuous improvement initiatives by collaborating with various departments, gathering feedback, and implementing best practices to ensure continuous and progressive quality enhancement.

#### **Roles & Responsibilities of Members:**

1. Members of the Internal Quality Assurance Cell (IQAC) are expected to actively participate in IQAC meetings, workshops, and activities, contributing insights, discussing quality-related issues, and collaborating on quality enhancement initiatives.
2. IQAC members collect, analyze, and interpret data on academic performance, student feedback, and administrative processes to identify areas for improvement and make informed decisions.
3. IQAC members contribute to the development, review, and improvement of quality assurance policies and procedures, including accreditation guidelines, setting quality benchmarks, and ensuring regulatory compliance.

  
Principal

4. IQAC members work closely with various departments and stakeholders to enhance quality through effective communication, sharing best practices, and aligning departmental objectives with IQAC's overall goals.

IQAC members can facilitate quality workshops and training sessions, fostering a culture of quality consciousness among faculty, staff, and students for continuous improvement.

  
Principal

Sree Chaitanya Institute of Technological Sciences  
I.M.D. Colony

Date: 09-01-2023

**CIRCULAR**

All the members of the IQAC of the college are requested to attend the meeting of on 10-01-2023 at 11:00AM in Board Room to discuss the following.

**Agenda**

1. Review department-wise Certification Course Completion statistics and note financial support for staff certification course registration fees.
2. Encourage the institute to adopt MOOC courses and faculty to contribute to these platforms.
3. Create online content by faculty to improve NIRF Ranking.
4. Discuss the publication efforts of PG students with the respective departments.
5. Organize seminars and workshops on professional ethics and code of conduct.
6. Identify and implement innovative teaching-learning methodologies with a provided framework for faculty.
7. Plan career counseling programs focusing on mental health management and talent retention.
8. Promote memberships in professional bodies to stay updated on technology advancements.

**MINUTES OF THE MEETING**

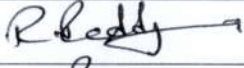

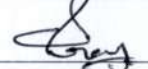

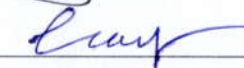

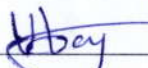

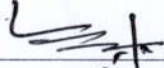

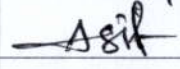

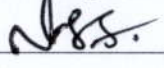

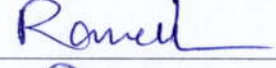

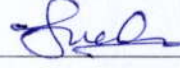

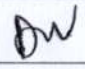

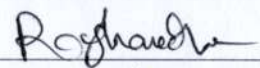

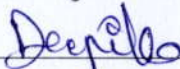

The IQAC chairman along with its members assembled in board room at 11.00 AM on 10-01-2023. Chairman welcomed the members and following are the resolutions made.

1. The principal suggested that Workshops can be planned every year, in different tracks, with the intension of providing platform for our own students.
2. Dean Quality Assurance, briefed about the statistics of department wise Certification Course Completion by the technical staff and also mentioned that the institute supports financially for doing the certification course by paying the registration fee of the same.
3. Suggested that as an institute we take up courses from MOOC platforms, at the same time faculty can contribute in terms of handling sessions on these platforms which could add more value to the faculty and the institute.
4. The principal mentioned that in order to get a good NIRF Ranking online content creation by the faculty will be helpful.
5. Discussed the PG student's publication and decided to have a discussion with the department on this matter.
6. Dean Quality Assurance informed that departments have planned to organize seminar / workshop on professional ethics & code of conduct.
7. Discussion on Innovative Teaching- Learning methodology was held, members suggested that a few innovative methods need to be identified and ask the faculty members to include it in their teaching process. The principal mentioned that framework should be given to faculty members.
8. Principal informed that, programs on career counseling such as Mental Health Management, Talent Retention could be planned.

  
Principal  
Sree Chaitanya Institute of Technological Sciences  
I .M.D. Colony, KARIMNAGAR (T.S)

9. Principal informed that professional bodies are regularly giving information on thrust areas of technology and if Students / Faculty get membership, they will get to know about technology update.

CIRCULAR

All the members of the IQAC of the college are requested to attend the meeting of on 08-07-2022 at 11:00 AM in Board Room to discuss the following.

Agenda

1. Initiate technical competency training sessions for 2nd to 4th-year students with external experts.
2. Engage alumni for conducting training sessions and motivational talks.
3. Procure a simulation tool to support campus research activities.
4. Allocate quality time for students to develop product-based real-time projects.
5. Encourage faculty to connect with industries to gather real-world project problem statements.
6. Implement a 4-week or one-month internship program to introduce students to industry work culture.
7. Instruct faculty to undertake certification courses to enhance domain knowledge for laboratory course instruction.

**MINUTES OF THE MEETING**

The IQAC chairman along with its members assembled in board room at 11.00 AM on 08-07-2022. Chairman welcomed the members and following are the resolutions made.

1. To prepare students, technically competent with the recent technologies, training sessions have been initiated from external experts for the students of II, III and IV year.
2. It was discussed that Alumni can be asked to give the training sessions or sessions on motivation.
3. To support the research activities in the campus, the IQAC presented the need for simulation tool.
4. Dean QA highlighted that this initiation has been taken to provide quality time to students to develop product based real time projects.
5. The principal insisted that the faculty members need to be in touch with the industries to get problem statements for the projects.
6. Members suggested a full-fledged internship of 4 weeks or a month to understand the industry work culture.
7. It has been discussed and HODs have been strictly instructed to advise the staff members to take Certification courses to improve the domain knowledge for effective demonstration of the laboratory courses.
